

CALL FOR PAPERS

7th HIGHER EDUCATION INSTITUTIONS CONFERENCE

23-24 September 2019, Opatija, Croatia

Building Agile Organizations

ABOUT THE CONFERENCE

The Higher Education Institution Conference is organized by the Zagreb School of Economics and Management (ZSEM), in cooperation with the Agency for Science and Higher Education (ASHE).

The conference aims to be the ideal platform for making international connections for future collaborations in various academic fields. Also, it will allow the exchange of the best practices that concern emerging areas related to entrepreneurship, innovation, strategy, technology, management and education. We invite everyone in the fields of higher education to submit papers in line with the conference themes.

Peer reviewed papers will be published in the proceedings with an appropriate ISBN number distributed electronically. A certain number of papers will be selected as best papers and in the extended version will be recommended for publishing in an international journal.

This conference will prove to be a valuable forum in which you can share your experience with other higher education professionals, as well as gain valuable insights from our esteemed speakers who will be speaking on the following topics this year:

1

**Transformational
strategies for higher
education**

2

ABOUT OPATIJA

Opatija is located in the Kvarner Bay, at the foot of the Mount Ucka and some 15 km from Rijeka, Croatia's third largest city. The centre of the Riviera, Opatija is surrounded by numerous small towns and villages, from Volosko to Lovran, connected by a seafront promenade Lungo mare. Opatija is very easy to reach; this Mediterranean oasis is now closer to Central Europe than ever before thanks to its network of new roads. You can, of course, choose other means of transport – a train station, airports and harbours are easily accessible within a 40 kilometre radius.

Variouly known as the 'Old Dame', the 'Pearl of the Adriatic' or the 'Queen of Tourism', Opatija in Croatia is a remarkable seaside resort town with a long history of tourism stretching back to 1844. Stop for a moment, close your eyes, and you are likely to feel its rich cultural heritage and almost hear the footsteps from the past...
