ABOUT DUBROVNIK

The over a thousand-year-old history of Dubrovnik is visible in every part of this city. The city is a living museum and a live stage, and has an ideal connection between its historical past and the modern day. It is surrounded by medieval walls that are 1,940 meters long and are preserved in their original form. They are open to visitors and are the city's greatest attraction. Since 1979 the town has been under UNSECO protection.

Dubrovnik is mainly a cultural destination, which aside from monuments of interest, offers a series of cultural events and festivals. Dubrovnik is a destination where you can enjoy a rest, while it is extremely well connected in terms of to all larger European centers. Dubrovnik is a city that charms, a city that you fall in love with and always return to like new, to discover more unique experiences.

Today, Dubrovnik has become the main filming location for movies and TV shows like Game of Thrones, Star Wars, Robin Hood amongst others.
