

CALL FOR PAPERS

13th HIGHER EDUCATION INSTITUTIONS CONFERENCE

Artificial Intelligence:
The future of education in times of global
change

4 - 5 September 2025,
Dubrovnik, Croatia

ABOUT THE CONFERENCE

The Higher Education Institutions Conference (HEIC) is organized by the Zagreb School of Economics and Management (ZSEM), and the Luxembourg School of Business (LSB) with the support of AACSB International since 2013.

Join us at our conference, where international connections pave the way for future collaborations across diverse academic fields. Share and explore best practices in entrepreneurship, innovation, strategy, technology, management, and , education. We invite everyone in the field of higher education to submit papers in line with the conference themes.

Peer-reviewed papers will be published in the proceedings with an appropriate ISSN number distributed electronically. A certain number of papers will be selected as the best papers and in the extended version will be recommended for publishing in an international journal.

This conference will prove to be a valuable forum in which you can share your experience with other higher education professionals, as well as gain valuable insights from our esteemed speakers who will be speaking on the following topics this year:

1

**Strategic Challenge
of Higher Education
System**

2

**The Impact and Challenges
